Jubilee Residences has been making a difference in the lives of Saskatoon seniors since 1955. We operate two long-term care homes, Porteous Lodge and Stensrud Lodge, and our proud to operate as an EDEN Alternative organization. In our homes, we strive to eliminate the three plagues of nursing homes —loneliness, helplessness, and boredom. We promote and support independence as much as possible amongst our residents. Our homes are filled with unique individuals from all walks, and we embrace each of them for who they are.

What makes our homes different?

- ◆ Each home is a human habitat, filled with life ~ people, plants, and pets
- ◆ The language used is different
- ◆ Resident Directed Care
- ◆ Companionship, Spontaneity, and Elder centered communities
- ◆ Elders lead and assist in programming, sharing their skills and wisdom with others
- ◆ Home-like atmosphere that empowers and encourages
- ◆ Resident Community Association in each home

Thanks to generous sponsors, the Jubilee Residences Foundation is able to support each of our residents' needs through enhanced programming, equipment, activities, education, and major projects. Past projects include a new spa-like tub rooms, non-slip flooring, room renovations, and power recliners. These contributions enhance our Elder's quality of life and support them to 'age in place' as their needs change.

***“An Elder is someone who, by virtue of life experience, is here to teach us how to live.”***

# Harvest Fest

Friday, October 18<sup>th</sup>, 2024 at The Willows

Join Jubilee Residences Foundation, as we host our 9th annual fundraiser. Formerly known as Oktoberfest, this signature event takes on a new name, but for the same great cause and promises to be a fun-filled evening. After enjoying a Harvest themed meal, purchasing some raffle tickets, and visiting with our Elders, staff, and board members, the audience will be left laughing the night away with Saskatoon’s own Joel Jeffrey. Last year was a sold out event, and this one is sure to be too!
